Thank You to Our Reviewers

The Journal of Innovations in Cardiac Rhythm Management extends sincere thanks to all reviewers who completed manuscript reviews for *JICRM* in 2016.

These reviewers provide high quality, rigorous, and insightful reviews of manuscripts submitted to the journal. We extend our appreciation to all reviewers for providing their expertise and time, in maintaining and enhancing the clinical relevance and scientific quality of manuscripts published in the journal. Our reviewers are instrumental to the advancement of *JICRM* and they greatly deserve recognition for their indispensable contributions.
